TRAVEL ASSISTANCE

AAA regrets that it is not able to provide individual assistance to a tour member for walking, dining or other personal needs. A companion who is capable of and completely responsible for providing it must accompany persons needing such for personal needs. Guests should consider their physical fitness level and medical history when determining whether this tour is appropriate. Full participation may require extended periods of walking over even and uneven surfaces and steep terrain. There may be steps, inclines, cobblestone surfaces, and extended periods of standing. Participants with physical limitations should take this into account.
